July 8 – Saturday – Morning in Seattle - Board the ms Eurodam in Seattle - Set sail at 4pm

- The morning will find us at the Pike’s Place Market. Founded in 1907, this is considered the “soul of Seattle” with over 170+ Artisan’s shops, to include the fish market “throwers”.
- Have time to explore - Lunch on your own
- Time to board and set sail on Holland America’s Eurodam
- Dinner onboard
- Keep your eyes peeled as we cruise through Puget Sound. En route to the Great Land you’ll see everything from ice-capped mountains to remote islands dotted with gigantic Douglas firs to Mount Rainier, hulking behind Seattle’s sleek skyscrapers as if to remind coffee-fueled urbanites that nature is boss. We will cruise the San Juan Islands from Seattle, a wildlife-rich archipelago and popular vacation spot amongst locals. From the comfort of your cruise, watch for soaring eagles, harbor seals, and both humpback and orca whales. Also look

for humpback whales bubble-net feeding: Teams of whales spiral upward around prey, blowing cyclones of air. When the panicked fish crowd into a column, the predators launch toward the surface en masse—pleated throats wide open—to suck in as many as possible. Even if you don’t see whales as you cruise San Juan Islands, the beauty of the landscape is unforgettable from rocky outcrops to hundreds of forested mounds.

July 9 – Sunday – Cruising at Sea

- All meals onboard included.
- Relax and enjoy a day of being surrounded by breathtaking scenery. Test your luck at the Casino or check your daily calendar for fun activities to join. Computers are available if you want to catch up on e-mails or take a computer class. Browse the boutiques or enjoy pampering spa treatments (for a fee). Grab your suit and take a dip in a saltwater pool or jacuzzi. If you’re feeling “sporty”, take a walk or utilize the gym or sport courts, overlooking the sea. Lounges and restaurants abound. Visit Explorations Central and the Crow’s Nest. Make new friends or wander alone. This is your time, so relax and enjoy!

July 10 – Monday – Scenic Cruising Stephens Passage & Arrive Juneau at 1pm – Depart at 10pm

- Stephens Passage is one of the best shortcuts in the world, a straight line through Southeast Alaska in a landscape that comes with very few straight lines. Concentrated in and around its waters is an assortment of Alaskan wildlife, from humpback whales to giant sea lions. The southern reaches of Stephens Passage start at the edges of Frederick Sound, one of the best whale-watching areas in the state. The sound narrows and as you are funneled into the passage the mountains come right down into the sea. In tiny bays, guillemots and gulls gather and the water of the passage is incredibly deep, well over 1,000 feet in places.
- Juneau, Alaska is the most remote, most beautiful state capital in the United States. Surrounded by water, forest and mountain sights, visitors seeking things to do in Juneau indoors and outdoors can hike a glacier, eat fresh-caught fish on a seaside patio and tour a grand capitol building all in one day.
- All meals onboard included
- ***Sample shore excursions: Salmon Fishing , Mendenhall Glacier & Salmon Bake; Mendenhall Glacier, Hatchery & Glacier Gardens, Five Glacier Seaplane Exploration; Taku Lodge, Feast & Five Glacier Seaplane Discovery; Mendenhall Glacier, Helicopter & Guided Walk; Treacy Arm Fjord & Glacier Explorer; Mendenhall Glacier Float Trip; Gold Panning & Underground Mine Exploration (wheelchair accessible).***

July 11 – Tuesday – Cruising Glacier Bay – Arrive at 7am – Depart at 4pm & Arrive Icy Strait Point at 6pm – Depart at 10pm

- On our cruise to Glacier Bay close your eyes and take in the sounds—the creaks and groans of “living” ice, the shrill cries of gulls and soaring eagles, the splash of a breaching humpback whale. Frosted peaks towering over mossy forests, wide tidewater glaciers (there are seven in the park), and marine wildlife are givens on our Glacier Bay cruise, but every experience in this changing biosphere is unique. There are glaciers, fjords, inlets, rivers, streams and wildlife galore, so bring those binoculars. Local experts come aboard for an experience that is both filled with natural wonder and enriching. Holland America partners with rangers and local Huna

Tlingit guides who provide expert insight into this diverse ecosystem and millennia-old culture.

- Icy Strait Point is a popular cruise destination on Alaska cruises and is only open when a cruise ship is in port. This historical town is filled with history and culture and famous for its history of colorful canneries.
- All meals onboard included
- ***Sample shore excursions include Whale Watch & Marine Mammal Safari (wheelchair accessible), ATV Expedition, Halibut Fishing, Cooking in Alaska’s Wildest Kitchen (wheelchair accessible); The Ziprider Adventure & Scenic Mountain Gondola; Icy Strait Point Kayak Adventure, Spasski River Valley Wildlife & Bear Search; Ocean Raft Adventure, and Wilderness Hike.***

July 12 – Wednesday, Sitka – Arrives at 8am – Departs at 5pm

- A storied past mixed with jaw-dropping scenery sets Sitka, Alaska apart from other ports. Located on Baranof Island surrounded by the Sitka Sound’s icy blue water, it not only boasts lush scenery and captivating wildlife,

Sitka offers a unique glimpse into Alaska history. Russia controlled Alaska from the mid-1700s until the United States purchased it in 1867, and Sitka was settled as the capital of Russian America with the name New Archangel. Surrounded by the Tongass National rain forest, nature abounds in Sitka, Alaska. A walk up Castle Hill offers the ideal vantage point to take in Mount Edgecumbe, a dormant volcano. Visits to the Fortress of the Bear and Alaska Raptor Center are in order for any animal-lover.

Both provide the opportunity to see Alaska wildlife, such as bears or raptors up-close, but safely.

- ***Sample shore excursions include Sea Otter & Wildlife Quest; Wildlife Quest & Fin Island Lodge; Wilderness Sea Kayaking Adventure; Sea Otter Quest & Alaska Raptor Center; Sitka Bike & Hike, Alaska Remote Fly Fishing, Tongass Rain Forest Nature Hike, Alaska 4X4 Nature Safari, Dry Suit Snorkel, Up-Close Private Cruise Adventure, Historic Sitka Highlights, Whale Watch & Marine Mammal Safari (wheelchair accessible), ATV Expedition, Halibut Fishing, Cooking in Alaska’s Wildest Kitchen (wheelchair accessible), and The Ziprider Adventure.***

July 13 – Thursday – Ketchikan, Alaska, US – Arrives 7am – Departs 1pm

- Ketchikan has long been an important hub of the salmon-fishing and -packing industries. Visitors can try their luck on a sportfishing excursion or simply savor the fresh seafood at one of the local restaurants. Ketchikan is also one of the best spots along the Inside Passage to explore the rich cultural sights of Native Alaskan nations like the Tlingit, Haida and Tsimshian. You can see intricately carved totem poles at the Totem Heritage Center and Totem Bight State Park, while the attractions of

Saxman Village just outside of Ketchikan offers the chance to see Tlingit culture in action, with working carvers and a dance show in the clan house.

- *Sample shore excursions include Totem Bight State Park & Ketchikan Highlights, Saxman Native Village, Dance Performance & Totem Park (wheelchair accessible); Eagles, Raptors & Rain Forest Experience; Ketchikan Salmon Fishing, The Great Alaskan Lumberjack Show & Crab Feast; Rain Forest Trail E-Bike & Nature Walk; Tatoosh Islands Sea Kayaking, Rain Forest Sanctuary Walk, Totems & Eagles; Backcountry Zodiac Expedition, and Neets Bay Bear Cruise.*

July 14 – Friday – Victoria, British, Columbia – Arrives 6pm - Departs 11:30pm

- Step ashore to a charming British-influenced city in the rugged Pacific Northwest. You can have high tea in an English garden and go whale watching the same day. The influence of the First Nations culture is also strong in Victoria, with totem poles taking a front-and-center position on the Inner Harbor and in Beacon Hill Park. Extensive galleries are devoted to the First People at the Royal Columbia Museum. Taste your way through Canada's oldest Chinatown, sample fresh fish and chips, or gobble down heavenly Nanaimo bars. Inner Harbor offers whale-watching cruises and sightseeing floatplanes. Just around the point, Fisherman's Wharf offers working fishing boats, paddling harbor seals and busy seafood restaurants. Roam the peaceful paths of the vast Butchart Gardens and see vibrant blooms at every turn. Enjoy afternoon tea, a walk in the park, or a shopping trip to Market Square or along Government Street.
